#### **NOTES**

- 1) There is a full stocked First Aid kit on the pool deck, oxygen tanks on the pool deck and an AED at the front desk. If you use anything out of the FA kit, please inform the Atlantic Edge Training Director as well as the lifeguard staff at the YMCA so that the kit can be restocked.
- 2) There are two possible classrooms here—one overlooking the pool and one in the daycare area ( in the adjacent building ). Check with the Atlantic Edge Training Director prior to class or the YMCA staff when you arrive as to which one you will be using.
- 3) This is a 1 day class. Students have been prepared for this but it is important that our staff come on time and prepared to move efficiently through the material.
